### PHOTOGRAPH PERMISSION FORM

During the school year photographs are taken of students to record activities and events, and for display purposes. For photographs of your child to be published or displayed, the school requires signed permission from a parent/guardian. Please sign each category individually to indicate approval before completing the statements at the bottom of this section.

- Appear in photographs in local and daily newspapers and/or Education publications.*

### LOCAL EXCURSION PERMISSION FORM

During the school year teachers may require their class to leave the school grounds for a local excursion, such as walking across the School Crossing to teach relevant safety procedures or walking around the local area near the school grounds to participate in environmental activities. No travel will be undertaken on any form of transport, other than feet! For your child to participate in local excursions, the school requires that we have a permission form on file, signed by a parent/guardian.

*I give permission for my child to take part in local excursions outside the school grounds. I understand that my child will only be walking, and that these excursions are confined to local areas. I consent to my child receiving such first aid as the teacher or Principal may judge to be reasonably necessary, and such medical or surgical attention as may be deemed necessary by a medical practitioner.*
