

The Primary Maths Show Incursion

Wednesday 12th June, 2019

Dear Parents and Guardians,

The Maths Show is a fun and entertaining live performance designed to boost student enjoyment of mathematics. The show combines humour and audience interaction with the amazing wonder and beauty of numbers to help students see maths from a different angle.

The incursion will take place on **Wednesday 12th June, 2019.**

The Maths Show is full of mathematical history, magic, comedy, puzzles and more – all designed to boost engagement with maths, and promote problem solving and mathematical reasoning. While the primary purpose of the show is to entertain, the maths underpinning it is rigorous. The performance is highly interactive, with substantial audience involvement.

The cost for this Incursion is \$5.00

Please complete the payment form and return them to school with the money by 9.30am on Thursday 6th June, 2019
